

# COMPLIANCE STATEMENT REGARDING PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS, AND APPAREL MANUFACTURED BY MAJESTIC FIRE APPAREL, INC.

Majestic Fire Apparel, Inc.'s personal protective equipment (PPE) products are designed with overall quality, end-user safety, and environmental considerations in mind. Our products are manufactured to meet the requirements of our customers. They are further supported by an effective system of quality management controls, which includes procedures for reviewing raw materials and utilizing test data from third parties to support our compliance with various standards.

Based on information from our suppliers, we make the following statements regarding our PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS and APPAREL.

## **Disclosure for Use of PFAS in Majestic Fire Apparel, Inc. PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS, and APPAREL**

Majestic Fire Apparel, Inc. does not alter, add, or utilize the use of PFAS chemicals in our assembly processes for the manufacturing of protective apparel, industrial hoods, face masks, fr garments, and apparel.

We purchase barrier fabrics from textile manufacturers for the incorporation into these products.

Based on the information provided by our barrier fabric suppliers, these fabrics contain polymer compounds, with some fabrics also including durable water-repellent finishes, which fall under the definition of PFAS chemicals.

These polymer compounds and finishes are critical to the wearer's general safety by providing essential protection while reducing the risk from extremely dangerous exposures.

This includes limited protection from exposure to particulates and the absorption of oily chemicals while enhancing wear comfort by managing heat and moisture.

## **California Proposition 65 Compliance Statement with regards to Majestic Fire Apparel, Inc. PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS and APPAREL**

Majestic Fire Apparel, Inc. does not alter the inherent chemical properties of any fabric used in our assembly processes for the manufacturing of protective apparel, industrial hoods, face masks, fr garments, and apparel

We purchase various fabrics from textile manufacturers for incorporation into these products.

Based on information received from our suppliers, our products may contain a chemical known to the state of California to cause cancer, birth defects, or other reproductive harm.
