

COMPLIANCE STATEMENT WITH REGARD TO PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS, AND APPAREL MANUFACTURED BY MAJESTIC FIRE APPAREL, INC.

Majestic Fire Apparel, Inc. products are made with overall quality, end-user safety, and the environment in mind. Our products are manufactured to meet the requirements of our customers, and are further supported by an effective system of quality management controls, while maintaining procedures for reviewing raw materials and utilizing test data from third parties to support our compliance with various standards.

Based on information from our suppliers, we make the following statements as they relate to our PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS and APPAREL.

Disclosure for Use of PFAS in Majestic Fire Apparel, Inc. PROTECTIVE APPAREL, INDUSTRIAL HOODS, FACE MASKS, FR GARMENTS and APPAREL

Majestic Fire Apparel, Inc. does not alter, add, or utilize the use of PFAS chemicals into our assembly processes for the manufacturing of protective apparel, industrial hoods, face masks, fr garments and apparel. We purchase barrier fabrics from textile manufacturers for the incorporation into these products. Based on the information provided by our barrier fabric suppliers, these fabrics contain polymer compounds that fall under the definition of PFAS chemicals. These polymer compounds are critical to the wearer's general safety by providing essential protection while reducing the risk from extremely dangerous exposures, which includes limited protection from exposure to particulates, while enhancing wear comfort by managing heat and moisture.

California Proposition 65

Majestic Fire Apparel, Inc. does not alter the inherent chemical properties of any fabric utilized in our assembly processes for the manufacturing of protective apparel, industrial hoods, face masks, fr garments and apparel. We purchase various fabrics from textile manufacturers to incorporate into these products. Based on information received from our suppliers, our products may contain a known chemical to the state of California to cause cancer, birth defects, or other reproductive harm.
